About us: Our mission.

We love what we do.

In CARCASAS PÁDEL © we are passionate about padel and we want to offer you unique and exclusive products. We are a brand dedicated to the creation of official cell phone cases for professional padel players. Our mission is to combine protection and style, allowing you to carry with you the passion for this sport at all times.

Since our inception, we have sought to stand out in the market by offering high quality products and innovative designs. We are proud to have the official license of the most prominent paddle players, which allows us to create exclusive cases with their images and logos.

We know how important it is for padel players and fans to show their passion for the sport, so we strive to offer cases that reflect their style and personality. In addition, our cases are designed to provide optimal protection for your phone, keeping it always protected.

Brand: History, values and ambassadors.

Our commitment to paddle tennis and professional players.

At CARCASAS PÁDEL © we are proud to be a leading brand in the paddle-inspired cell phone case industry. Our history dates back to this year, when a group of passionate padel players decided to combine their love for this sport with their expertise in designing and manufacturing accessories for mobile devices.

Our core values are quality, innovation and commitment to our customers. We strive to offer cases that are not only aesthetically appealing, but also durable and functional. We work with high quality materials that guarantee optimal protection for your phone, resisting bumps, drops and scratches.

At CARCASAS PÁDEL © we are not only concerned with offering exceptional products, but also with providing excellent customer service. We are committed to making sure that every customer has a satisfactory experience when purchasing our shells. We strive to respond quickly to your inquiries and resolve any problems you may have.
